

DEAR COMPANY, 🌟
WE WOULD LOVE TO TALK
ABOUT MENTAL HEALTH! 🧠
SINCERELY, YOUR
EMPLOYEES 🥰 😊

Hi! This card has found its way to you because employees of your company want to promote mental health – and believe that YOU are exactly the right person for this!

We are SHITSHOW, a mental health consultancy, and we would like to support you in this, especially because we know that talking about stress, burnout or sssssh... even depression can be a bit tricky.

But mental health is not only a delicate subject but a great opportunity for all of us. And by the way, talking about it can also be a lot of fun.

CONVINCED? LET'S TALK!
